

Circular No: BH/0036/2020

Date: 01.04.2020

To: All Staff - QP

**Subject: Opening of Frontline Clinics in Mesaieed and Ras Laffan for COVID-19**

Dear All,

As part of our continuous monitoring of the COVID-19 situation and its impact on QP business continuity and community's health, Healthcare department is pleased to announce that frontline clinics in Mesaieed and Ras Laffan Industrial cities have been launched to treat COVID-19 related symptoms and illnesses effective from 1 April 2020.

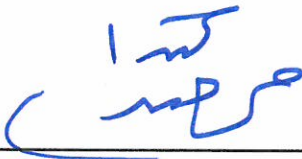

1. Al Madina Clinic: 6:30 am to 2:30 pm (Doctor and Nurse).  
2:30 pm to 6:30 am (Nurse only)
2. Ras Laffan Port Clinic: 6:30 am to 2:30 pm (Doctor and Nurse).  
2:30 pm to 6:30 am (Nurse only).
3. Mesaieed Annex Clinic: Doctor and Nurse available 24/7.

The main clinics in Measaieed and Ras Laffan will continue to operate as per the regular working hours, and provide non-routine health care to ensure the safety and wellbeing of our staff.

These measures are imperative to maintain a long-term health service provision to QP community amid the COVID-19 situation.

Please be assured we are continuously monitoring the situation, and appropriate health advisories will be issued as and when required, to ensure we continue to serve QP communities around the clock. For any enquiries, you may reach us on 40135555.

Best Regards,
